**Jamulus Jamming at Black Creek!**

**Jamulus Meet & Greet:** Meet up, discussion, Q&A about live-time internet jamming

**Friday, May 28 @ 5 – 7 pm on Zoom in The Grove Breakout Room**

We set up a Jamulus Central Server for the festival. It is a private space for the festival with servers running in NYC and Montreal with several "rooms" available for playing. Each room can support 12 players. We wanted something similar to the Altamont Fairground with jam sessions scattered around different campsites.
